

Rugby World Cup 2011 September 9 to October 23

Total Sports Travel are proud to announce that we have been appointed an Official Travel Agent for Rugby World Cup 2011, New Zealand.

In simple terms this means we will have available "official match tickets" to all matches for the Tournament. These tickets must be packaged together with a combination of accommodation/airfares/transfers. Packages will go on sale early in January 2010.

We will be offering the following options (and not limited to) in order to cater for everyone's needs.

- **Freewheeler Packages**

These packages are designed for the supporters who wish to have flexibility in between games. Whether you wish to do your own thing or for us to tailor your itinerary in between matches its entirely up to you. These will consist of three or four night accommodated packages around each match of your choice.

- **Fly in Fly out options**

For some of the popular matches (which will include the semi-finals and the Final) we will be offering chartered day flights from Australia and return.

- **Coach Touring Options**

Fully escorted touring options including match tickets, accommodation, transport, sightseeing and tour guides.

- **Cruise Ship Options**

Cruise the coast of NZ and attend the quarter-finals, semi-finals and the Final

- **Campervan options**

Accommodated packages will range from backpacker style right through to 5 star hotels.

As this is an extremely popular event and due to the fact that the stadiums in NZ are relatively small and limited accommodation available, our packages will sell out quickly. Therefore, we are offering packages on a first in first serve basis. To assist you we have introduced an advance registration process.

Advance registrations will guarantee tickets to the matches of your choice. These must of course be combined with one of our package options. Don't delay as the advance registration process will be terminated as soon as match tickets have been sold out.

Substantial deposits and fees have already been outlaid to secure tickets and accommodation therefore we are requesting a registration fee of \$500 per person which will be fully refundable if you decide not to purchase one of our packages when they are made available in early January.

To assist us with planning our packages to suit everyone's needs we would appreciate if you could give us your preferences of the type of package you are interested in on the attached form.
